

## Music Bells by Uchida

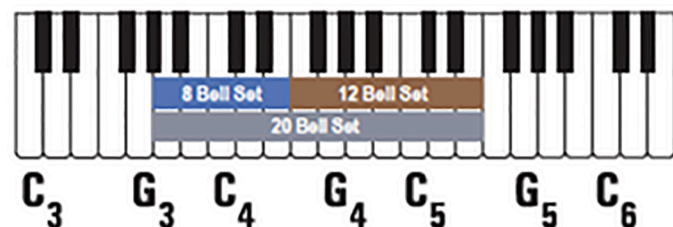

Brand new to the USA! Crafted by manufacturing industry giant UCHIDA, renowned for its superb workmanship, these handbells are the top-selling music bells in Japan. Their durability and popularity have led to their implementation into numerous elementary music education programs in countries such as Japan, Singapore and Indonesia, and they could be just the answer for yours!

Presented for the choir/class that prefers the look and feel of handbells, these are a great alternative to handchimes or "bridge" to traditional handbells. Several "levels" of music bell are available, so there's something for every budget!

### Uchida Silver Excellence Series Music Bells

Elegant in look and sound, Silver Excellence Music Bells are a wonderful option for choirs or groups just starting out or whose budget does not allow for the purchase of handbells. Castings are brass (silver plate) and clappers are rubber, resulting in a lovely, traditional sound. Stylish silver zinc die-cast handles and musical note name plates add beauty to durability- a fabulous combination. Each bell weighs 11.5 oz and is 7.5" tall. 8 and 12 bell sets come with bells only, while the 20 bell set comes with the stand/bag combo. *Prices do not include shipping.*
